E. Howard Clock Orders Ledger Volume 3

Extracted on Aug-21-2014 03:57:57

The Smithsonian Institution continues to research information on its collections and is thankful to the digital volunteers who helped to transcribe this material. We look forward to using the work they created to further enrich our collections.

- Before you incorporate this material into a for-profit publication or online project, please contact the Archives Center - NMAH;
- Please leave source and copyright information as is and avoid obscuring these details in the material;
- Do not post this document as a whole to a social media site, such as a blog, Facebook page, Twitter feed, etc;
- Researchers: if you deposit this material, please let Archives Center - NMAH know where the material is deposited so that we can guide the community members to it.

Contact the Smithsonian Institution for the current status of this project and related material. To see this project online - or other transcription projects - please visit [here](#).

Smithsonian Institution

Archives Center - NMAH

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
