The Smithsonian Continues to research information on its collections. Contact Smithsonian for current status.

Please observe the following rules for file sharing, which are intended to help protect the integrity of the material and associated information.
- Do not incorporate material into a publicly accessible database or website without checking with the National Anthropological Archives (NAA).
- Do not post whole manuscripts to a social media site, such as a blog, Facebook page, Twitter feed, etc;
- Do not modify or obscure the source information or copyright notice included in the material;
- If you deposit the material in a tribal library or resource center, make sure that the library or resource center knows the source of the original material and is aware of these rules. Please let the NAA know where material is deposited so that we can guide community members to it.
